Hello Laxmi, I'm here and ready to assist you.

To help me understand what you need, could you please tell me what you'd like to do or what information you're looking for?

For example, you could ask me to:

- "Check my calendar for today."
- "Give me a summary of important emails."
- "What's the current stock price for Reliance Industries?"
- "Find out the weather in Mumbai."
- "Help me draft an email to the team."

Looking forward to your instructions!
